*Come along to the Museum
soak up some history.*

Saturday at 1:00pm

- Not to be missed – **Guest Speaker** local historian, **Cheryl Glowrey** who will enlighten you on the very very early history of **Snake Island**. When the island had a lighthouse and its connections. The fascinating history of how the island was very involved with tourism and the cattlemen. Also, well penned in Cheryl's book and on sale on the day.
- Buy a delish **Devonshire Tea** to enjoy under the peppercorn tree. The tree has a history in itself...
- Top the visit off with a wander through the Museum as you see the Port that was till now, with all its interesting history.
- **Children** can colour in at the table for the youngsters.
- A **gold coin donation** is all that is asked on entry to help support this important part of history for the area.
